Dear Mr. Fernandez,

I was happy to learn of your appointment with MUFON. I have corresponded with Walt Andrews and tried to inform him of news from France; however I told him that it would not be possible to represent APRO + MUFON at the same time.

I certainly hope we have the pleasure of meeting and working together. I have had the pleasure of visiting Toulouse when I came on several trips to see Peter and Sud Radio. Incidentally the current Sud Radio program has Lorenzen + Hywel scheduled based on tapes that were sent to me. Sud Radio has told me that they were thinking of an international program. I trust to see Jean Marie Fernandez and will myself, I am American and will

Receive my "Doctorate in medicine" next
month. My wife is French and we
have one child.

Thank to you from you

Kind wishes
