Dear Mr. Fernandez:

Thank you for your recent letter. We were interested to learn about your new review and would appreciate your sending us a copy so that we may consider the possibility of an exchange arrangement with you. Under separate cover, we are sending you the current issue of our own Parapsychology Review.

If at any time in the future, you are interested in reprinting material from the Parapsychology Review, please write us requesting permission and it will be considered without delay. I must add that we are unable to enter into any agreement which would make it possible for you to reprint any material without prior request for permission.

Yours sincerely,

(Miss)
