France

Dear Mr. Fernandez:

I have your letter (undated) concerning the bimonthly review which you are planning to publish. I hope your plans turn out well.

Before we discuss the possibility of an exchange, I should like to point out that the Parapsychology Bulletin which I edited for many years was dropped in 1965. The Journal of Parapsychology, however, still comes out as a quarterly.

What I should like to suggest is that you send us a copy of your magazine when it finally appears. At that time, I can show it to the rest of our editorial staff and we can consider the matter of an exchange.

Sincerely yours,

Dorothy H. Pope
Editor
