J.FERNANDEZ.

Dear Mr,

Urbanist, I'm now prepare my title to be Architect. I choose, with collaborators, to make an Center of Research for UFO.

I'm subcriptor to the CUFOs, and interesting on UFO since ten years aprox. Can you publish in the next bulletin this note? (in the continuing research):

"What must be a center for Ufo studies?: urbanist and architects studing this possibility to make a project. Please send all suggestions to: J. Fernandez, Ecole Speciale d'Architecture de Paris. Paris 14. FRANCE"

Somebody tell me that you had publishing the "International UFO reporter", a monthly newsletter. Can you send me a copy to see and perhaps take a subscription?

Few month ago or weeks, I send you a letter with an international coupon answer, for send me list of the books, reviews, papers, etc.. available from the CUFOs. Today I receveid nothing.

I hope you can send all this things, many thanks for all.

Excuse for all this trouble.

Sincerely

Joachim Fernandez.
